Support Collar 2pc Immobilizer

This is a lightweight; radiolucent collar made of nontoxic hypoallergenic foam. Providing complete circumferential cervical support, a tracheotomy opening and front closures makes this collar one of the most superior collars available. Specify height when ordering.

Heights available for 2pc Collar: 3" 4" & 5"
Pediatric is only available in a 2" height.
2pc Collars also available in a 2" height by special order only.

1401-C	Child 7 1/4" x 3 1/2"

PNEUGEL™ CHEVRON® WALKER

This has the same features of the standard CHEVRON® II WALKER. This walker also includes the patented PNEUGEL™ bladder. This bladder is removable and may be placed in the freezer to be used as a cold therapy device. The bladder is inflatable to insure a proper and comfortable fit around the ankle and foot area. This unique design also provides support to the arch of the foot. Designed for either the left or right leg.

Home Traction Frame

Item Number: # 6205

This versatile traction frame is ideal for home use. The sturdy construction and easy set up allow it to be adjusted to any size bed or treatment table. The Home Traction Frame can be used with any type of traction or CPM machine. Supports 200 lbs of patient weight.

- Sturdy, stable construction
- Fits any size bed or treatment table
- Easy set up
- Easy storage
- Shippable
- Economical

Basic Frame Set-Up includes the Trapeze Assembly and one Stabilizer Bar. TMI suggests the purchase of an additional stabilizer bar to increase safety, strength and stability of the frame.

The following accessories may be purchased separately.

- # 2600 Flexion Pillow for reducing cervical strain.
- # 6085-27 Center Clamp Bar 27"
- # 6075-09 Abduction Bar 9"
- # 6055 Pulley & Clamp
- # 2411 Buck's Boot
- # 2720 Weight Bag Hanger
- # 2710-01 Sand Traction Weight Bag 1#
- # 2710-02 Sand Traction Weight Bag 2#
- #2710-05 Sand Traction Weight Bag 5#
- #1700-01 Traction Cord 100' Roll
- # 6100 Stabilizer Bar
